Sum Insured Terms

- The Sum Insured amount will be as per active plan which could be checked using the Onsurity app.
- The Sum Insured amount will be applicable on an annual basis from the date of joining the membership. Sum insured will only be replenished on an annual basis from date of joining.
- Sum Insured is on floater basis per family.
- If you buy the membership for any other family members using the Onsurity app, the Sum Insured will be independent for each member. Please note the actual membership terms could differ for memberships purchased for family members on the app.

Important Terms

- We will only provide assistance services during the claim as a group administrator. Final authority for claims approval, validation and payment of the claim rests with Insurer.
- In case of emergency claim, please visit hospital's TPA desk for cashless facility
- Please carry your E-health card and valid government approved identify card to the hospital TPA desk for cashless claim
- Partner insurance company shall be provided the necessary information and documentation in respect of all claims at the member's expenses within 30 days of discharge from the Hospital
- Claims for Pre-hospitalization Medical Expenses and Post-hospitalization Medical Expenses to be submitted to us or partner insurance company within 30 days of the completion of the post hospitalization treatment.
- Mid-term addition of dependents to the membership plan is not allowed, with the exception of newly wedded spouses or newborn children of eligible members (which shall be intimated to us within 90 days of the event with adequate proof). If the Client wishes to add dependents other than newly wedded spouses or newborn children, then the Client shall seek our prior approval.
- For reimbursement claims, we shall be intimated of the claim for reimbursement within 30 days of the insured person's discharge from hospital. If claim is not intimated to us within 30 days of the insured person's discharge from Hospital, then we shall be provided the reasons for the delay in writing. We will condone such delays on merit where the delay has been proved to be for reasons beyond the claimant's control. Reimbursement claim procedure can be [accessed here](#).
